Dear Parents,

OUR SCHOOL ART GALLERY OPENS ON **Tuesday 5th July**

The school is delighted to invite parents to an exhibition of their children's artwork

On

Tuesday 5th July at 2.30pm

Please note, this has changed from the original date of 1st July as stated on the newsletter due to moving on day.

This special event will be one of our art highlights of the school year and we know the children will be very happy and proud to show you their work. The pictures have been professionally framed, mounted and safety glazed, and will be displayed on special boards.

During the day, all the children will have the opportunity to experience visiting this special art gallery and to see their own work displayed. There will be an opportunity at the exhibition to purchase these framed original pictures.

Extra framed copies can also be ordered as a special and unique gift for friends and family members to cherish – **copies can be ordered in advance or on the day of the exhibition only.**

Please note that the pictures cannot be removed on the day as we would like the gallery to remain in place for everyone to enjoy all the works of art. All sold pictures will be handed out in class. We look forward to welcoming you to this special event.
