'Year 4 trip to Magna Science Adventure Centre'

Dear Parents,

The children and I are excited to inform you of our next school trip which will take place on **Wednesday 22nd June 2016.** Magna is a fantastic day out for our class as we are currently studying volcanoes. The Science Adventure Centre is packed with interactive exhibits and fascinating displays to help us explore the wonders of science and the laws of nature, with over one hundred hands-on exhibits designed to help us explore the four elements – AIR, WATER, EARTH and FIRE! We will splash in water, operate real JCBs in Earth, watch a tornado made of fire and even explode a rock face!

We will leave school at 9:00 and travel by coach to the centre. Please be at school for 8:50 prompt as we will not be able to wait for late arrivals. We will depart Magna at approximately 2:00 – returning to school shortly before 3:15pm.

The cost is £15.00 per child which is charged to school. If not enough children return their voluntary contribution the trip will be cancelled. **Please return the slip below to confirm your child has permission to attend.** Simply fill out the form below and return to Mr. Daly as soon as possible. If you are able to help out on the day please also let me know ASAP.

Kind Regards

Mr. Daly

Childs Name: _____ Class: _____

I/We give permission for our child to attend the Magna trip

I/We enclose a contribution of £15.00

Signed: _____

Date: _____
