

## PE PREMIUM

We received £8,962 in total for the academic year 2016/17.

For the academic year 2017/18 the PE premium will increase to approximately £18,000. This is based on a lump sum payment of £16,000 to each school and an additional payment of £10 per child (on roll January 2017 in years 1 – 6. We will receive 7/12 of this additional funding this financial year.

We have therefore estimated our PE premium to be £18,751 for this financial year.
