

Lyndhurst Community Primary School – PE Premium Evaluation

School Focus	Actions	Funding	Impact	Sustainability	Next steps
<p>Encouraging children to take an active part in sports.</p> <p>Encourage children to be more active at lunchtimes</p> <p>Ensuring all children have at least 30 minutes of activity every day.</p>	<p>Employing a sports coach to set up and run a range of sporting activities including rugby, football, tennis and basketball at lunchtimes.</p>	<p>£6298</p>	<p>80% of children take an active part in sport at lunchtime at least once a week. This is a rise of 40% from the beginning of this scheme</p>	<p>Currently this project is only sustainable with the continued presence of the coach.</p> <p>More lunchtime support staff need to become more active with this project</p>	<p>Train and encourage lunch time support staff to take over the running of the activities.</p>
<p>Ensuring more children have an opportunity to take part in intra and interschool competition</p>	<p>Targeting groups of children to take part in competitions</p> <p>Increasing the range of competition the school participates in</p> <p>Ensuring transport is not a barrier to taking part in competition</p> <p>Ensure that children are appropriately kitted out when representing the school. Ensuring they feel a part of it.</p>	<p>Transport £790</p> <p>Kits £629</p> <p>Hoodies £180</p>	<p>Impact 80% of ks2 children have the opportunity to represent the school at least once by the time they reach Year 6</p> <p>The kits are making the children more proud to represent the school.</p> <p>Transport has allowed a greater number of events to be entered</p> <p>Use of non Tameside competition enables a greater variety of</p>	<p>The kit will continue to help make children feel more part of the schools achievements.</p>	<p>Begin to ensure that in future a greater amount of the transport costs comes through the normal school budget allowing for sustainability when the funding comes to an end.</p>

			competitions to be entered		
High quality PE teaching from teachers	Provide on-going training specifically for all staff joining the school. Ensure all equipment required to teach high quality PE is available	Training £500 Equipment £1500	A greater variety of equipment is available Equipment does not appear dated Staff feel competent in the teaching of PE	Staff will continue to be confident in the teaching of PE	Provide training for new staff members. Ensure support staff who are involved in the teaching of PE at any level have appropriate training
Increase the variety of sporting activities the children have experience of	Trips to football grounds Trampolining High ropes Climbing 10 pin bowling	£3251	Children have become very excited about alternative sporting healthy living activities and are beginning to encourage parents to become involved	Long term sustainability depends on children returning to these venues independently. This is currently only happening in a small number of cases	Investigate ways of encouraging children and families to make return visits and become involved.
To increase the percentage of children leaving school reaching the national standard in swimming.	Additional top up swimming lessons	£1020	A significant increase on the number of children arriving in Year 6 being able to swim.	This has will continue whilst funding continues.	Investigate ways to develop the number of children in school who attend swimming lessons out of school.
